

ABOUT IMMERSE EDUCATION

Immerse Education is a leading provider of academic programmes that take place in Cambridge, Oxford, London and online.

We welcome students aged 13-18 to study a wide variety of subjects, provide an introduction to advanced study and insight into university life. During our two-week residential programmes, participants live and study in colleges of Cambridge and Oxford University, or University of London and balance a challenging academic programme with an action-packed schedule of social and cultural activities.

Each year we welcome students from over 100 different countries and our programmes have been recognised by a number of awards and accrediting bodies including The Queen's Award for Enterprise, the British Accreditation Council, BETA and ROSPA.

ROLE BACKGROUND

The pastoral care provided by Immerse is what sets us apart as an industry-leading summer school provider and is an element of the programmes that we value highly and take very seriously. We are looking for outgoing, friendly and responsible individuals who are comfortable managing small groups of students from a variety of backgrounds.

You will live on campus and be responsible for ensuring that the individuals in your 'mentor family' are settling in to the programme and making the most of the opportunities that the programme affords them.

Mentors should aim to create a 'home away from home' and act as both a responsible adult, and a friendly point of contact throughout the participants' time on the programme.

Summer school Mentors are a team of university undergraduate students who have been selected to supervise programme participants, to lead extracurricular activities and to organise evening social events. Summer Mentors are also assigned groups approximately 10 participants, for whom they are responsible for ensuring the well-being of for the duration of the programme.

As the primary point of contact for the participants in your 'mentor family' you are the main pastoral care provider and report to the College Manager within your assigned college. The role is challenging but highly rewarding and mentors find that the more they put in to the programme, the more they get back.

RESPONSIBILITIES

- Provide support, information and guidance to participants, ensure they are aware of the programme schedule and participating accordingly
- Assist participants in extracurricular activities (ie sport, formal dinners, workshops, excursions etc)
- Be on-site each day providing pastoral and logistic support to participants and members of staff

RESPONSIBILITIES (CONTINUED)

- Accompany students to/from airports, assist them with registration, help with the transportation of luggage to their allocated rooms and show them around the College
- Assist the College Manager with site set up, including classroom preparation, display creation, cleaning and tidying as required
- Ensure that every venue/classroom is cleared of rubbish, and is neat and orderly after every single event, ready for the next session
- Assist subject tutors if/when required during subject-relating outings and field trips
- Special role - each mentor will be allocated responsibility over one of the following areas: managing social media, blogging, organising the final night party, AV, talent night coordinators, logistics, college tours, managing excursions (Oxford and London) among others
- Attend evening meetings with the College Manager, followed by curfew patrols
- Be the face of Immerse Education to students, staff and parents and uphold our high standards of quality, safety and academic excellence
- Share your experience as an Oxbridge undergraduate student with the participants and provide useful insight on the application process to your field of studies
- Ensure the summer programme operates within health & safety and risk assessment guidelines
- Assist with other duties around the summer school as required

REQUIREMENTS

- Current or recent student at Oxford or Cambridge University (essential)
- Relevant experience of residential summer schools or summer camps (desirable)
- Relevant experience in events and/or customer service (desirable)

PERSONAL QUALITIES

- Applicants should be extremely organised, efficient and flexible, and able to work in a busy, fast-paced and often challenging, summer school environment
- Adaptability, integrity, enthusiasm, sense of humour and patience
- Have an innate ability to work with children of all ages
- Be pleasant mannered and personable with a professional demeanour
- Be flexible in working times as early starts/late finishes may be necessary during peak times
- Be self-motivated to achieve the highest standards in all things, particularly with regards to the quality of experience participants receive
- Enthusiasm to get involved in all activities and ensure participants have an unforgettable experience with Immerse Education
