WHAT TIME DOES THIS SERVICE DEPART?

The shared transfer service from Sydney Kingsford Smith Airport leaves at **11:00**, **14:00** and **17:00** on Sunday 3rd January.

The approximate journey time from the airport to St Paul's Campus is 25 minutes.

WHAT SHOULD I DO WHEN I ARRIVE?

If your flight arrives **after 09:30**, a member of the Immerse team will meet you in the arrivals hall once you have passed through security & luggage reclaim (see meeting point for each terminal below) - they will be wearing a blue 'Immerse Education' polo shirt and lanyard.

In the event that a member of the team is not visible at the meeting point, please wait where you are until they arrive, unless you are instructed to do otherwise. Please note, staff will only be at the meeting point up to 30 minutes before the departure time.

Should your flight details change on arrival day - you should contact the College Manager and let them know of the changes as soon as possible. When you land, you can connect to the free airport wi-fi and establish contact if you encounter any trouble locating the meeting point upon arrival.

If your flight arrives **before 09:30**, you are advised to wait in the arrivals hall once you have passed through security & luggage reclaim until a member of the Immerse team arrives to meet you. Please note, staff will only be at the meeting point up to 30 minutes before the departure time.

The shared airport transfer service will only leave once all passengers have been accounted for. If your flight has been delayed for any reason, you will automatically be placed onto the next transfer service.

WHO DO I CONTACT IN CASE OF ANY ISSUES?

The contact details of the College Manager will be provided by email one week before your programme start date.

AIRLINE RELEASE AND UNACCOMPANIED MINOR SERVICE

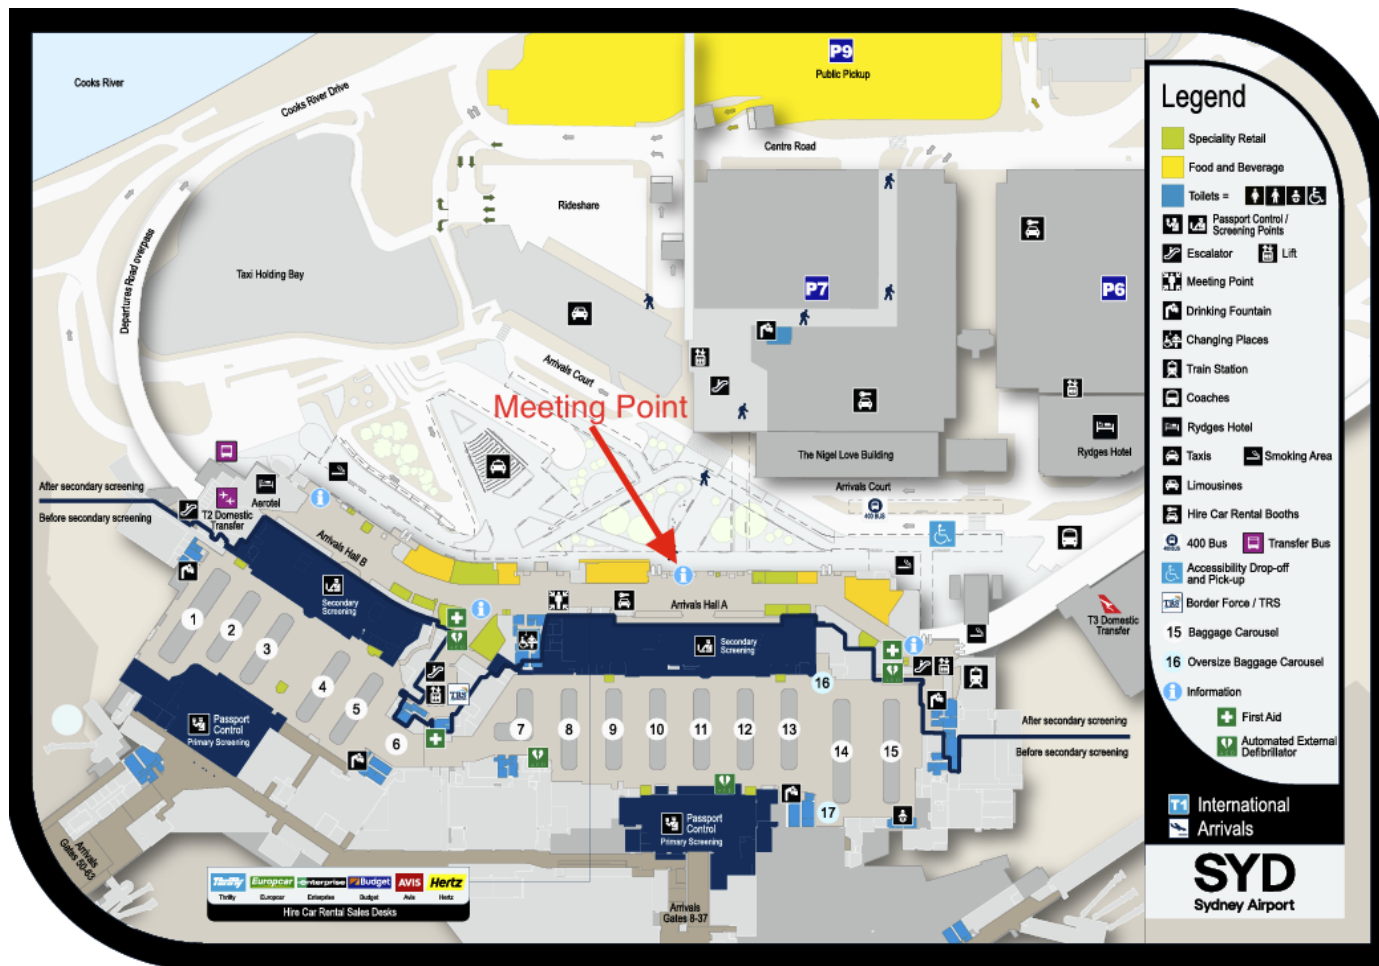

If your airline is required to 'release' you into our guardianship, please contact us for the details of the chaperone. In addition, we would advise that all participants travel with a Parental Letter of Consent form, which can be downloaded at the following link:
