

ABOUT IMMERSE EDUCATION

Immerse Education is a leading provider of academic programmes that take place in London, San Francisco and New York .

We welcome participants aged 13-18 to study a wide variety of subjects, provide an introduction to advanced study and insight into university life. During our two-week residential programmes, participants live and study in University College London and balance a challenging academic programme with an action packed schedule of social and cultural activities.

Each year we welcome participants from over 100 different countries and our programmes have been recognised by a number of awards and accrediting bodies including The Queen's Award for Enterprise, the British Accreditation Council, BETA and COBIS.

ROLE BACKGROUND

We are seeking Industry Experts who can teach small groups of participants aged 13-18 in their target subject.

As an Industry Expert, you'll not only be an expert in your field but also have a passion for bringing your expertise into the classroom in a fun and engaging manner.

You will need to be able to plan and deliver lessons that achieve the programme's learning outcomes while providing a memorable experience for your participants.

The average class size is 7 with a maximum class size of 10.

Please see overleaf for the list of subjects we offer.

RESPONSIBILITIES

- Collaborate, design with Immerse Education and deliver a two-week course in your subject including engaging, challenging and interactive lessons for 2 hours each day, Monday to Friday.
- Schedule and give two 1:1 feedback sessions for each participant during the programme.
- Provide a course overview in advance of the programme, including any resource requirements and provide full lesson plans if requested by the academic team.
- Provide any preparatory tasks or materials to your participants that you deem necessary and beneficial in advance of the programme.
- Maintain accurate records of participant attendance throughout the programme.
- Provide detailed, productive written feedback and suggestions for further development for each participant after the programme.
- Create a personal project outline for each participant to complete during lesson time and provide 1:1 support to enable successful completion of this project

ESSENTIAL REQUIREMENTS

- Formal experience tutoring high school and/or supervising undergraduate students.
- Experience of teaching small group learning and discussion.
- Ability to teach a broad range of topics within the subject area.
- Industry experience in your field.

DESIRABLE

- Relevant experience of residential summer schools or summer camps.
- Relevant experience of teaching 13-18 year old students.
- Experience teaching non-native students.

PERSONAL QUALITIES

- A passion for teaching and conveying your own enthusiasm for a subject.
- Ability to create a positive, safe environment in which students of all backgrounds and abilities can thrive.
- Organised, efficient and flexible, and able to work in a busy and fast-paced summer school environment.
- Adaptability, integrity, enthusiasm, sense of humour and patience.
- Be pleasant mannered and personable with a professional demeanour.
- Be flexible in the content delivered during lessons, reacting to the ability and interests of individuals in the class.
- Be aware of the well-being of students and the challenge that a summer school may create.
- Be self-motivated to achieve the highest standards.

APPLICATION PROCESS

1. Please complete the online application form which will require you to attach your CV.
2. Short-listed applicants will then be invited to an interview via webcam, in which they must deliver a short demonstration lesson.
3. Successful candidates will undergo an enhanced DBS check and must provide two references as well as their right to work documents for our records.
4. Any personal data you submit as part of your application will be kept securely in compliance with GDPR regulations.

PROGRAMME AVAILABILITY

Our 2024 summer schools take place as two-week sessions between 01 July and 18 August.

Please note that not all subjects are available throughout the summer, and vacancies may be available as two, four or six week contracts.

You will be asked about your availability during the application process.
